GRATITUDE REPORT

St. Cecilia is *Grateful* for *You*

Thanks to your donations our students are able to reach their full potential and develop spiritually, intellectually, and socially for the glory of God! Our students are becoming comfortable taking about their faith by participating in retreats and leading school-wide prayers.

The teachers are able to meet individual student needs through new Guided Reading curriculum materials made possible by your support. The students are also building critical thinking skills in our new Makerspace where they can bring innovative ideas to life through building, teamwork, and design. At St. Cecilia we are grateful for all you make possible on behalf of our students!

Blessings,

Mary Loux, Principal
St. Cecilia School and Academy

Who We Are

Our Mission

St. Cecilia School and Academy, in partnership with families, provides students an excellent Catholic education where each child can develop **spiritually, intellectually, and socially for the glory of God.**

Our Vision

The reason we exist is to educate **every student to their full potential** as a **child of God.**

A Thank You Note

FROM ST. CECILIA STUDENT MELISSA S., 6TH GRADE

Thank you for supporting my school. St. Cecilia is a very **special place to me.**

My favorite class at St. Cecilia is history. When I learn about my history I learn why I am here and **I am here for a reason.**

At school I like to express myself and be me. My talent is singing. When I sing I know God is listening. I am true to myself and God is true to me. We talk sometimes when I pray. **I like being at a school where praying is cool.**

If I were to describe myself in one word it would be "Creative" because of the way I express myself. I will work in animation one day, and **inspire others to imagine life in new ways.**

Thank you for supporting all of us to imagine in new ways at St. Cecilia.

From,

Melissa S., 6th Grade
St. Cecilia School and Academy

How to Give to St. Cecilia

YOUR GIFT IS 100% TAX DEDUCTIBLE

Donate securely online at **stc-stl.org/donor**
