Important Parent Meeting **TONIGHT**

Please remember we will have a parent meeting at **4:30PM today** for parents who would like support with setting up Distance Learning in their home. While we hope we do not have to close school for an extended period, we want to be prepared if we must. Our technology coordinator, Ken Cook, will lead a discussion on ways to get connectivity if you don't have internet in your home. We will also assist families with logging into Google Classroom if they would like assistance as this is the platform that will be used should we have to close school so that learning can continue. Please meet in the Art/Music room if you would like to come. There is also a talk at 5:30PM for those interested in learning more about the Coronavirus from a medical doctor.

Academy Summer School

Please remember that all current 5th, 6th, and 7th grade students must attend Summer School in order to continue at St. Cecilia next year. The dates will be May 26 to June 12, 7:30am to 2:45pm.
