When someone else is picking up your child from school, please make sure you notify the office. This is very important for everyone's peace of mind!

## Parent Reminder

Please make sure you check your child's folder **Every Thursday!** We send home important information and this is our main form of communication with you. Also, please make sure you **read the Newsletter!** The upcoming schedule and any upcoming events will always be listed there. Also, reading the Newsletter will save you a phone call to the office since most of your questions can be answered by looking in the Newsletter. We work very hard at having this information available to you.
